Website: www.muvvatrust.org

Area of operation: Andhra Pradesh and Telangana States

Statutory organ: MV Rami Reddy, Managing Trustee

The Purpose of the organization:

MCBRM Trust, a not for profit organization, registered in India under Indian Trust Act in Guntur on 16-08-2000 with the identification number **11 OF BOOK IV – 2000**.

It is founded for the below objectives:

- Grant scholarships to meritorious students. Provide financial support to students who are not able to continue their studies. Distribution of notebooks and study material to students studying in Govt schools.
- Provide Skill trainings to unemployed youth in different modules of vocational courses.
- Promoting extracurricular activities like sports, essay writing, elocution, cultural events etc.
- Provide education and trainings to women, youth and farmers.
- Establish and maintain Aged homes, Orphanages and Widow Shelters.
- Give assistance during natural calamities for the affected.
- Publish literary works and educational material for students.
- Conduct seminars, workshops, trainings to farmers for educating them in modern and natural farming practices in agriculture and Animal Husbandry.
- Support the organizations and farmers working on cow care and natural farming.
- Conduct WASH activities to promote hygienic sanitation practices.
- Encourage harvesting of rainwater and increase underground water level.

B. PROJECT PROPOSAL INFORMATION:

Proposed Project: **Grant assistance for maintenance of Gausala** (Cow Caring Center)

MCBRM Trust has played a vital role in promotion of a Trust called **The Center For Revival of Vedic Culture of Krushi and Goraksha** (CRVCKG). Its main aim is to revive Vedic Culture, Krushi (Agriculture) & Goraksha (Cow care), Vedic Education, Literacy, Environment and the related rural development. MCBRM Trust was supporting CRVCKG in mobilization of local resources, training and skill development required for natural farming and Cow care.

The Gausala was established in the year 2010 with 4 cows, at present the cow population increased to 262. It is increasing day by day. The income earned through cow activity is sufficient to meet 25% of total expenditure. The impact and indirect benefit created by Gausala is highly appreciable and very much complimentary in order to address various issues relating to climate change and livelihoods of the farmers in the surroundings of the Gausala (Detailed Project Report attached). In order to ensure continuity of the cow care activities in the Gausala we need the following financial grant support.

Estimated Cost (Detailed budget given in attachment):

S.No.	Particulars	Total Budget (in Rs. /month)	Annual Budget (in Rs.)
1	Concentrated Feed	300000	3600000
2	Electricity	32000	384000
3	Fodder (dry straw)	100000	1200000
4	Transport and fuel	45000	540000
5	Infra Maintenance & repairs	15000	180000
6	Cow Health Maintenance	30000	360000
7	Food and other expenses to cow herds through common kitchen	120000	1440000
8	Farming (Green Fodder) growing, cutting and transport and lease of land	100000	1200000
9	Care of Cowherd family	225000	2700000
10	Other expenses	30000	360000
11	Total	997000	11964000
12	Less: Avarage Income generated through Gausala		
12.a	Cow dung	60000	720000
12.b	Cow milk	150000	1800000
12.c	Fruits and vegetables	30000	360000
12.d	Local Donations	80000	960000
13	Expected income	320000	3840000
14	Grant Required	677000	8124000

Gausala Running Expenditure per annum: Rs. 11964000.00
Less: Income Generated per annum: Rs. 3840000.00

Total Grant Required in Rs. 8124000.00

Local Fund raising exercise is ongoing for our project through many volunteers and well-wishers, however such proposed grant will help us to meet the increasing expenditure due to continuous increase of Cow population and other infrastructure requirement.

Our requirement of the aid for this year is Rs. 80 lakhs, equivalent approx.. in US\$ 97000.00

Thank you

MV Rami Reddy
Managing Trustee
MCBRM Trust
